About Christ's Body Ministries

Christ's Body Ministries has served people experiencing homelessness and hardship in Denver for more than 35 years. Through Daily Bread, we provide weekday breakfasts, showers, clothing, coffee, pastoral care, and a welcoming place where people are treated with dignity and respect. Our street outreach teams also take meals, clothing, hygiene supplies, and encouragement directly to people living outside, while helping connect them with resources, relationships, and practical next steps.

For those ready to make deeper changes, our residential and reentry programs provide structure, community, recovery support, discipleship, employment preparation, and help moving toward stable independent living. We also rely heavily on volunteers, churches, businesses, and community partners who serve alongside us and make this work possible. Across every part of the ministry, our mission remains the same: **To Share Christ's Love, Serve and Care for the Least of These.**

About Our Event

On Friday evening, October 30th, Christ's Body Ministries invites you to join us at the Infinity Park Event Center for our Annual Dinner & Concert, an evening of great food, live music, powerful stories, and celebration of what God is doing in the lives of people across Denver. This year we are excited to welcome Dave & Tara Powers of MountainCity for a special live performance as we gather with friends, volunteers, churches, businesses, donors, and community partners who share a heart for serving our neighbors in need. Throughout the evening, you'll hear stories from the front lines of Christ's Body and see how your support makes Daily Bread, street outreach, recovery, reentry, and our residential programs possible. More than a fundraiser, this is a night to come together as a community, celebrate lives being restored, and look ahead at the opportunities God has placed before us. Whether you have supported Christ's Body for years or are just discovering our ministry, we would love to have you at the table as we celebrate how a meal, a shower, clean clothing, a conversation, a prayer, or simply knowing someone's name can become the beginning of lasting change. Small Things. Big Impact.

One Partnership. A Year of Impact.
