About Christ's Body Ministries

Christ's Body Ministries is a beacon of hope in Denver serving the least of these by providing food, clothing, showers, laundry, haircuts, human services and pastoral care to the poor and homeless. For more than 30-years, this work happens at 850 Lincoln and since 2021 we expanded our services by using our mobile outreach trailers and vans (shower, laundry, clothing & food), taking our resources and the love of Jesus to meet them where they are on the streets.

We offer two residential programs our Community Reentry program called CORE provides housing for up to 90-days for recently incarcerated men to transition safely back into our community. Our long-term residential program called RISE provides a residential community that helps builds their faith with bible studies, weekly chapel, community service, and activities giving them a Christ Community to thrive in their next season of life.

About Our Event

On Wednesday evening, October 30th, Christ's Body Ministries will be hosting our Annual Concert and Dinner fundraising event to help our efforts in making a difference in the lives of the homeless, poor, and needy in Denver. Held at Mile High Station, one of Denver's premier venues next to Empower Field at Mile High, this event will feature our guest speaker and musician, Chad Mattson from the group Unspoken. Hear his story of recovery from addiction and experience his incredible music. This is a night to dress up a little, enjoy a first class meal, and meet some incredible people making a difference in Denver. This will be the highlight event of the year in our efforts to lead the charge for Expanding Generosity for the lives who are in desperate need!

Expanding Our Generosity: Where & Why?

The focus of this fundraiser is simple: We want more people to hear about the love of Jesus Christ!

We will do this by focusing on 3 key areas of ministry at Christ's Body that need to grow to accommodate the great need we are seeing in the Denver area.

Expanding Generosity @ 850 Lincoln

Almost everyday, we make food in our kitchens and host an influx of homeless people coming to us for personal and spiritual care. We provide food, showers, clothes and laundry services. We spend time with our guests and share the love of Christ to everyone the enters our doors.

Expanding Generosity with our Mobile Outreach

We already have a shower & laundry trailer that provides needed dignity to those living on the streets. We use the time they are with us to meet their needs and share the love of Jesus. We want to expand our generosity with a added mobile clothes trailer and serve more locations with our "Caravan of Care!"

Expanding Generosity in our CORE & RISE Residential Programs

Our CORE and RISE residential programs are thriving! The men are enjoying our program and want to stay longer. We are currently booked with a waiting list. We currently have 5 beds, but the city has authorized us to have up to 12 beds. With some renovations, we can expand to full amount. This gets us up close and personal with our guests and allows us to daily share the love of Jesus and provide needed rest and recovery to our residents.

Your generous donations helps us to expand both the quantity and quality of time to share Jesus Christ to those suffering on the streets of Denver
